EDUCATE, INSPIRE, EMPOWER LIFELONG LEARNERS

Dear Parents:

The school district does not provide any type of health or accident insurance for injuries incurred by your child at school.

As a service to students and their families, our school is making available a student accident insurance plan for your child at a very low nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, or lack of health or dental coverage.

REASONS TO PURCHASE THIS COVERAGE:

1. Deductible and copays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
2. No Insurance.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or copays.

If you have no other insurance, this will become your primary accident plan.

PURCHASE COVERAGE ON-LINE (with Visa or Mastercard) at www.1stagency.com and then follow directions at "Find Your School".

All questions regarding this coverage should be directed to First Agency at (269)381-6630, or toll free at (800)243-6298.

Thank you,

John Oswald, Chequamegon High School Principal
